# Transition to Tables

## [Verse 1]

Walk slowly to your table now
Please don't run, it's not allowed
Gather what you need, and take a seat
Write your name on top, nice & neat
Feet in front & eyes on me
Ready to learn, you should be
The sooner we start, the sooner we'll end
Next, it's time to play with friends!

## [Verse 1: Repeat]

Walk slowly to your table now
Please don't run, it's not allowed
Gather what you need, and take a seat
Write your name on top, nice & neat
Feet in front & eyes on me
Ready to learn, you should be
The sooner we start, the sooner we'll end
Next, it's time to play with friends!
